

Merjan Enterprises, Inc. DBA SOV Security

Federal Capabilities

SOV Security delivers fully integrated Electronic Security Systems (ESS) in compliance with NIST standards and the GSA APL, built for mission-critical environments supporting the U.S. Armed Forces and Federal Law Enforcement.

GSA SCHEDULE · FICAM SIN

UEI: LV9GQW8PPVV8

CAGE: 8N169

CMMC LEVEL II

UL2050 CERTIFIED

CSLB C-7 LICENSED

CORE COMPETENCIES

Fully integrated ESS for mission-critical federal environments, including video surveillance, card access control, and ICIDS with ICD 705-compliant SCIFs, all designed, installed, and maintained by certified personnel.

- FICAM Access Control
 - FIPS-201-2 credentialed ACS
 - FIPS-Validated Video Surveillance
 - With advanced analytics
 - Structured Cabling & Network
 - Secure infrastructure
 - Intercom & Two-Way Comms
 - Building communication
 - Sound Masking
 - Acoustic speech privacy
 - UL2050 & ICD 705
 - ICIDS-compliant SCIF systems
 - Thermal Camera Systems
 - Medium & long-wave imaging
 - Mass Notification & PA
 - Public address & alerts
 - Locksmithing & Door Hardware
 - Electrified, panic & ADA
 - Counter-UAV (C-UAS)
 - Drone detection & mitigation

PAST PERFORMANCE

Fort Irwin Army Base, NTC (2020-2022). Campus-wide ESS technology refresh: 250+ IP cameras, 150+ ACS doors, and PA system upgrades.

Fort Irwin Army Base, NTC (2022-2026). Multi-year preventative-maintenance contract for video and access control systems.

Weed Army Community Hospital (2021-2023). Hospital-wide ESS deployment: 300 cameras, 350 ACS doors, panic systems. FICAM and FIPS-201-2 compliant.

U.S. Fish & Wildlife Service, Torrance, CA. Secure FICAM ACS deployment (16 doors).

Bureau of Reclamation, Hoover Dam. Facility-wide ACS software upgrade (85 doors).

Naval Medical Center, San Diego (2019-2024). Preventative maintenance of 85-camera surveillance system.

Vandenberg Space Force Base (2011). Installation of cameras at base Brig.

NAICS CODES

- 561621 Security Systems Services (except Locksmiths)
- 541512 Computer Systems Design Services
- 238210 Electrical Contractors & Other Wiring Installation
- 561622 Locksmiths
- 333314 Infrared Cameras

DIFFERENTIATORS

- Specialists in federal ESS deployment and compliance
- GSA Schedule holder with FICAM SIN
- CSEIP-Certified Engineers (FICAM / HSPD-12)
- PMP project-management expertise in construction
- End-to-end ownership: design, install and maintain
- Agile, customer-first approach to all projects
